

Chapter 5. Common Direction Semantic Tag Namespace

This section contains the Common Direction semantic tag namespace as part of the semantic tag feature.

The tags contained in this namespace MAY be used in any domain or context, to indicate an association with a movement in a certain direction relative to the device. Note the difference with [Chapter 9, Common Position Semantic Tag Namespace](#).

ID	Namespace
0x04	Common Direction

The following tags are defined in this namespace.

ID	Name	Summary
0x00	Upward	
0x01	Downward	
0x02	Leftward	
0x03	Rightward	
0x04	Forward	
0x05	Backward
