

Value	Name	Summary	Conformance
6	VisualDisplayFault	The Node has encountered a fault with at least one of its visual displays.	O
7	AudioOutputFault	The Node has encountered a fault with at least one of its audio outputs.	O
8	UserInterfaceFault	The Node has encountered a fault with at least one of its user interfaces.	O
9	NonVolatileMemory-Error	The Node has encountered a fault with its non-volatile memory.	O
10	TamperDetected	The Node has encountered disallowed physical tampering.	O

11.12.5.2. RadioFaultEnum Type

This data type is derived from [enum8](#).

Value	Name	Summary	Conformance
0	Unspecified	The Node has encountered an unspecified radio fault.	M
1	WiFiFault	The Node has encountered a fault with its Wi-Fi radio.	O
2	CellularFault	The Node has encountered a fault with its cellular radio.	O
3	ThreadFault	The Node has encountered a fault with its 802.15.4 radio.	O
4	NFCFault	The Node has encountered a fault with its NFC radio.	O
5	BLEFault	The Node has encountered a fault with its BLE radio.	O
