

Value	Name	Summary	Conformance
0	None	Node is not currently synchronized with a UTC Time source.	M
1	Unknown	Node uses an unlisted time source.	M
2	Admin	Node received time from a client using the SetUTCTime Command.	M
3	NodeTimeCluster	Synchronized time by querying the Time Synchronization cluster of another Node.	M
4	NonMatterSNTP	SNTP from a server not in the Matter network. NTS is not used.	M
5	NonMatterNTP	NTP from servers not in the Matter network. None of the servers used NTS.	M
6	MatterSNTP	SNTP from a server within the Matter network. NTS is not used.	M
7	MatterNTP	NTP from servers within the Matter network. None of the servers used NTS.	M
8	MixedNTP	NTP from multiple servers in the Matter network and external. None of the servers used NTS.	M
9	NonMatterSNTPNTS	SNTP from a server not in the Matter network. NTS is used.	M
10	NonMatterNTPNTS	NTP from servers not in the Matter network. NTS is used on at least one server.	M
11	MatterSNTPNTS	SNTP from a server within the Matter network. NTS is used.	M
